2. Tentative understanding with BGRYTHM calls for joint OGIVE-BGRYTHM handling and control of Matiani group (which will be activated upon return Matiani from present Throwoff mission). Group will have resistance mission, but will also include personnel specifically trained and briefed by Ogive for intelligence reporting. Expenses of maintaining group (not special expense of BGRYTHM activities of group) will be shared. If group successful, would then consider use of remainder men at Syros to reinforce operation.\*  
(\*Syros group numbers about 17 men.)
5. BGRYTHM not prepared or equipped to take active interest in entire Thunderstorm roster, expressed desire make test operation described above on small scale and if successful would extend interest to remainder of personnel. ....Since BGRYTHM has potential interest in maintaining entire group, suggest it may be willing share monthly expenditure 100 sovereigns this purpose.
